

DR. GERALD DILLINGHAM

U.S. GENERAL ACCOUNTING OFFICE

Dr. Dillingham is Associate Director of the Transportation Issues for the U.S General Accounting Office (GAO), where he is responsible for program evaluations and policy analyses of aviation and U.S. Coast Guard issues. Prior to his appointment to his current position, Dr. Dillingham was an Assistant Director in GAO's Program Evaluation and Methodology Division where he managed reviews on science, technology, and international competitiveness. Dr. Dillingham has also worked on issues concerning the safety and risks associated with medical devices and pharmaceuticals. Prior to joining GAO, Dr. Dillingham was a member of the social science faculty at the University of Illinois-Champaign and a Post Doctoral Scholar in evaluation research at the University of California at Los Angeles.

Dr. Dillingham received his Bachelors of Arts degree from Bowling Green State University, and his Master of Arts and Doctor of Philosophy degrees from the University of Chicago. During his GAO career, Dr. Dillingham has been an expert witness before numerous Congressional committees and received the GAO Meritorious Service Award and several agency and Congressional commendations.
